1

Creating Value for a Sustainable Future

We aim to solve various issues in building a sustainable society by taking on new challenges as well as existing ones while thereby achieving further growth of the Daigas Group.

We focus our efforts on creating "value for a sustainable future" with our stakeholders by utilizing our strengths in developing solutions and innovations, and share the achievements with our stakeholders.

We aim to be an "innovative energy and service company that continues to be the first choice of customers" while striving to make contributions to achieving a sustainable society.
